June 27, 1969

Mr. John Orr
54 Duff Drive
Altoona, Pennsylvania 16602

Dear John:

Congratulations on being elected the first president of the Juniata Audubon Society!

It's been a while since your letter of May 25, 1968, requesting information about forming a local chapter, but it appears like you have a large enough group to really make a name for yourselves in any conservation projects you undertake. I'll contact Dr. Stahr to see if he can come to Altoona September 30th to present your charter unless you might like to schedule a meeting sooner.

All the names with #3904 (Juniata's IBM number) next to them have requested dual membership and will be the members that will be on a dues-sharing basis. As you contact other National Audubon Society members interested in joining Juniata, send their names to me so I can have them included in your dues check.

Very truly yours,

NATIONAL AUDUBON SOCIETY

Alan J. Miller
